

# In Search of Relevant Ministries that “Get It”!

## Innovative, Intentional, & Impactful in Reaching & Winning Lost Souls for Christ!

The Clergy Ministry of BGC is creating **“High Impact: A Guide to Ministry Relevance”** which will highlight impactful ministries from within the Baptist General Convention of Virginia and beyond. “High Impact” will be featured as a part of the June & July/2024 sessions of the Ministry Training Track (MTT).

Does your church have a ministry (i.e. Youth, Young Adults, Bible Study, etc.) that is...

- Christ Centered
- God-Focused
- Community Oriented
- Intergenerational
- Innovative
- Evangelistic
- Cutting Edge
- Ground-Breaking

...in winning lost souls for Christ? In what ways does your church’s relevant ministry seek to increase church spirituality, membership, attendance, and participation?

**Hint:** *“Large” does not guarantee ministry relevance because small-sized ministries can have mega-sized impact on their congregations and communities. “Impactful” congregations that experience increase in more ways than just numeric growth (i.e. spiritual, unity, harmonious, & peaceful, etc.).*

If you are or know of a church that has ministry relevance and is impacting their congregation and community in the above ways, please type “Relevant Ministry” in the subject line of your email and forward the following information to [whwhitaker2@bgcva.org](mailto:whwhitaker2@bgcva.org).

1. Name of Church
2. Name of Pastor
3. Your Name & Contact Information
4. Relevant Ministry Type (i.e. Youth, Young Adults, etc.)
5. Ways in Which Your Church’s Relevant Ministry is Impactful in Winning Lost Souls for Christ and increasing church spirituality, membership, attendance, and participation.
